RE: Certification of indexing and inclusion of **Indian Journal of Medical Ethics**, ISSN 0974-8466, E-ISSN 0975-5691 in *The Philosopher's Index*

To whom it may concern:

This is to certify that the philosophical journal **Indian Journal of Medical Ethics** has been accepted for inclusion in *The Philosopher's Index*. Citations for this journal will now appear in the world's most comprehensive bibliography of writings on philosophy, serving the global philosophical community. We are currently in the process of indexing all volumes dating back to 2012 (vol. 9) up through the current volume (vol. 12) and plan to include all future issues in *The Index* to be available for the use of philosophers, institutions, universities and researchers worldwide.

You can expect citations for your journal to be available to search in our online index in March or April, 2016. Citations for the journal can then be accessed electronically in *The Philosopher's Index* via the following three distributors: EBSCO, Ovid and ProQuest. Their contact information can be accessed here: <http://philindex.org/online-licenses/>. A list of "key journals" included in *The Index* can be found here: <http://philindex.org/scope/journal-coverage/> (please note this list is not exhaustive and may not include your journal as we do not publicly disclose our complete list).

Best regards,

Dr. Richard Lineback, editor
