<http://www.theashok.com/>

CO-ORGANISERS

Forum for Medical Ethics Society (www.ijme.in)

&

Sama Resource Group for Women and Health (<http://www.samawomenshealth.in/>)

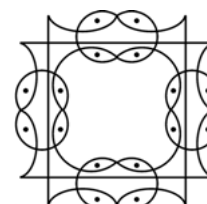

Five plenaries will be woven around these sub-themes of the conference: Bringing Rights and Ethics to the Centre in the 'Health for All' discourse; Rethinking Bioethics Boundaries in the Context of Health for All; Challenges for Bioethics in an Unequal World; Implications of Gender and Sexuality in Bioethics; Interrogating the Construct of Marginalisation and Vulnerabilities as Obligations of Bioethics. Presentation of papers, posters workshops, pre-Congress symposia and conferences will be organized around the conference sub-themes, as well as include themes from within the broader discipline of bioethics.
